

Resource Idea Form

Many great ideas come to us, and we appreciate it! Our challenge is finding a way to reproduce them to pass on to others. We ask that you please submit ideas using black ink on white paper. Objects cannot be mailed out as samples. We appreciate your assistance in this as we work to make these great ideas available.

To send us a resource idea, fill out this sheet and attach it to your idea or e-mail this information with an attachment to bam@lwms.org.
