

Dear Pastor _____

I am a member of _____ and have been involved with the Lutheran Women's Missionary Society (LWMS) for a number of years through our congregation's membership in LWMS. What a joy it has been to learn about the mission work being done in home and world missions, to pray for the missions, and to help raise money for many non-budgeted mission projects.

I would love to have the opportunity to share my passion for our WELS mission through a short presentation to your congregation immediately following worship on a Sunday that is convenient for you. My goal is to create interest in LWMS and the exciting work we are privileged to do in partnership with WELS Home and World missions. The presentation would be less than 10 minutes, including a 3 minute video about LWMS.

Please look at your calendar for a possible date for my visit. I will follow-up with you via email in a about a week. At that time, perhaps you could also help put me in touch with the leader of your women's group. In the meantime, you will find a flyer about LWMS enclosed with this letter.

Thank you for your attention and I look forward to visiting you and your congregation in the near future.

United with you to serve Jesus,
