

Dear Families,

The **kids c.a.r.e.** program is a way for kids to show they care about other kids. The letters in **c.a.r.e.** stand for care about reaching everyone with the gospel.

Your child is not only learning about Jesus through this program, but learning ways to help other children learn about Jesus too.

A program of the Lutheran Women's Missionary Society (LWMS), kids c.a.r.e. gives children the chance to be part of the synod's work of sharing the good news about Jesus, both with those who don't know him yet and those who want to know him better. Since 2005, children motivated by the love of Jesus the Savior, have helped share the gospel message with children across North America and around the world in countries like Russia and Nepal.

The kids c.a.r.e. offerings received between June 2018 and May 2019 will support the Kids Summer Bible Camps project. In an attempt to attract more children, mission churches are using camps focused on activities like music, sports, art, and computer coding. This kids c.a.r.e. project will make funds available to assist mission churches in supporting these various summer Bible camps for kids.

You Can Make a Difference at Home

Here are some ways that you can support this kids c.a.r.e. project at home:

- Take time to listen and talk with your child about the lessons, projects, songs, games, and activities that he/she has been learning through kids c.a.r.e.
- Help your child realize that he/she has an important role in sharing the love of Jesus with other children and families who may not know Jesus or want to know him better.
- Pray that families and children grow in faith as they learn about Jesus through **Kids Summer Bible Camps**.
- Keep a kids c.a.r.e. mission box or container visible for collecting coins. Encourage your child to share his/her offerings as a way of showing thanks for blessings God gives each and every day.

Thank you for supporting the **Kids Summer Bible Camps** project through kids c.a.r.e. and for supporting your child's efforts to share Jesus with other young children in home mission congregations.
