

Refreshing Your Rallies

Choose at least one new idea to try.

- Pre-rally brunch or lunch for non-LWMS member congregations
- Greeters at all the entrances of your rally building
- Registration table with contact information sign-up sheet for first time attendees
- Special identification for host congregation members/volunteers
- Election candidates display with ballots and a ballot box
- Befriend A Mission, kids c.a.r.e., and mission projects displays
- Send One Sister display
- Incorporate time for brief convention experience story telling
- Hands on project
- Involve the men of your congregation to help with breakfast and lunch
- Babysitting with kids c.a.r.e. craft project
- Start the day with a mixer game
- Reporters tea or breakfast before rally
- Get to know and invite two women (think all ages) from your church to the rally

Pray that LWMS will continue to be the vital organization it is, giving women, of all ages, the opportunity to partner with our missionaries in the spread of the gospel.
